To whom it may concern,

With this letter of recommendation, the Quartier des Spectacles Partnership of Montreal wants to recommend *Locations & Ideas*- the event company to upcoming foreign organizers as the perfect and professional partner for any kind of production in Germany and German speaking countries.

We cooperated with *Locations & Ideas- the event company* to realize our outdoor Exhibition "Coeur Nomade" in Frankfurt am Main during the International Bookfair Frankfurt 2021, when Canada was Guest of Honor Country.

Michel Greulich was our counterpart and project- manager and his agency *Locations & Ideas* was responsible for the complete realization.

That included the location scouting, all necessary communication and permissions, the production of 40 prints (3,5m<sup>2</sup> each), all technical installations as well as all technical equipment, a proof of stability, the necessary staff and security service.

The collaboration was absolute reliable and professional, the project was realized exact in the way we wanted, necessary changes or adaptations went smoothly. All offers were transparent, and *Locations & Ideas* kept the budget

We look forward to our next cooperation with Michel Greulich and the *Locations & Ideas- the event company*.

In case of further information, please do not hesitate to contact us at any time.

Best regards,
